Dear Frater,

In just four months we will once again be celebrating our common bond, forged at Valpo many years ago. Like past reunions, our gathering this year in Chicago will be a memorable event, with first class accommodations and many opportunities to remember and relive our days at Valpo. As always our Saturday night banquet will be the premium event.

It gives me great pleasure to announce that the APOLLO CHORUS of Chicago, the area’s premium volunteer chorus will provide entertainment following our banquet meal. The CHORUS founded in 1872 is the oldest volunteer choral society in the United States. We will be entertained with a variety of offerings from a significant number of the Chorus’s 125 plus vocalists.

Another newsworthy item is the work being done by Frater Bob Meyer to expand our TKE Gamma Chi directory. The current directory that was released at the reunion in Minneapolis includes all Valpo Tekes who were graduated prior to 1970, with few exceptions. Bob is currently in the process of adding about another 150 Gamma Chi Tekes who were graduated during the mid-70’s, with the goal of having the updated directory available for distribution at the Chicago reunion. Bob’s work represents a remarkable achievement considering the fact that there has been no central depository for Gamma Chi records since TKE left the Valpo Campus. (See more detail later in this issue and help him contact those who are still incomplete)

For those of you from the classes of the seventies who may be receiving the Good Cheer for the first time, we hope it helps you become reconnected with those with whom you shared common values at Valpo, 40 plus years ago. We encourage you to connect with some of your classmates, and jointly make plans to meet in Chicago in October. I can tell you from personal experience that it will be a milestone event for you.

It’s time to make those reunion reservations if you haven’t already done so. The reservation form is included in this Good Cheer. Hoping to see you in Chicago in October.

Bob Reineck, President

P.S. You can extend your stay, before or after the reunion at the same discounted rate as long as rooms are available. Please make your reservation by July 1 to support our discounts.

**SPECIAL NOTE:** Our initial contract with a downtown Chicago Marriott hotel included significant cancellation costs and a $500 down payment in advance for our reunion. From a contractual standpoint we were obligated for these costs when we cancelled in order to reschedule in a more cost effective location. The Chicago Marriott Manager agreed to eliminate the cancellation costs and White Lodging that owns that Marriott, agreed to refund the $500 down payment. **Special Thanks for these decisions by the Marriott and White Lodging management**; this cost has been eliminated.

**Ed. Note:** Thanks to the negotiating skills of Wes Mader, this refund was secured.

Youngest daughter just gave birth to a son, grandchild # 7 in March.

Robert (Rip) Erber ’72 lives in New Albany, IN with his wife, Phyllis (Bluhm ’72). They have two children. He retired in 2010 after 35 years as owner and president of a heavy/highway construction company. He currently works part time as a consultant and in real estate. His wife is still teaching at St. John’s Lutheran School in Lanesville, IN, but they are both looking forward to splitting their time between Bonita Springs, FL and New Albany, IN upon her retirement.

Walt Nuske '52 lives in Figtree, New South Wales, Australia with his wife Val. They have three children and seven grandchildren ranging in age from four to twenty-one. Five of them live close so we are often pleasantly performing babysitting or taxi services. We live in one of the scenic parts of Australia and about five miles from the ocean. A large water catchment area and a National Park are about one mile away. We have little time to watch TV after spending time with church related activities and recreational exercise. We square dance three nights per week and play a lot of tennis. Val teaches clogging, plays the flute, swims in an ocean-rock pool all year and plays more tennis. I am very active in maintaining a large scout park. Overseas volunteering trips included two to Fiji and two to India, the latter for a total of six months. We are looking forward to our trip to the US, visiting friends, Valpo Homecoming and we’ll see you at the Teke Reunion !!!!!!

Gregg Larson '73 lives in Houston, TX with his wife, Kris. They have been married 31 years, have two married sons and three grandkids. He is currently Director of Human Resources at a technology firm, FairfieldNodal, operating in the seismic industry. He has three trips planned plus an annual trip to SE Asia so may not make it to the reunion this year. He remembers his days as rush chairman and social chairman and made sure they kept the Duarde Fartsworth party going, one of the best on campus. The Tekes were very active in the campus concerts and many of the bands and stars would visit them and party there after the concert. He remembers Kenny Rodgers, Rita Coolidge, when they were First Edition, Chicago and the Byrds to name a few.

Warren “Farmer” Baerenwald '57 lives in Friendswood, TX with his wife, Arlene. They have three sons, a deceased daughter, seven grandsons and two granddaughters. He retired in 2000 after a long career in the Quality Control field, as a Quality Manager.

He is an Eagle Scout, earned the Ranger Scout award as an Explorer and earned 100 Merit Badges. He received many awards for Scouting including the American Legion Square Knot, The Lutheran Lamb of God Award as well as the New York American Legion Nate Turner Medal for service to Scouting. Ken says that after 70 years, it’s time to hang up the campaign hat, kick back and relax. He is enjoying retirement and keeping active in a bowling league as well as the Sons of the American Revolution.

Jack Durben '52 lives in Edwardsburg, MI with his wife Patricia (Nicholson ’58). They have three children and four grandchildren. In 1996, we received a list of all fraters, from the TKE National Office, who had been initiated into TKE from Scroll #1 to #775. Since that time, we have been adding approximately three years of graduating classes to the roster during each reunion cycle. The last issue of the Directory, provided free to Reunion Registrants, published in October, 2010, included all members of Alpha Epsilon and 495 fraters from the roster of Gamma Chi Chapter of TKE. This included a portion of those in the 1970 graduating class. In the past few months, we have been adding those with scroll numbers to 600, which includes graduates through 1974. In addition, we have added a number of fraters who live in the Chicago area so that they would receive information on the 2012 reunion in Northbrook. We have contacted each frater and verified the data that is placed on the master file.

This file now includes 730 fraters, 24 (listed below who have not yet been contacted for various reasons), 204 who are deceased, 470 with correct addresses (265 email & 205 snail mail), 11 who wish No Mail and 17 who seem to be permanently lost.

If you have specific knowledge or any clues, i.e. correct phone or email information, for these 24, please send it to valpotekes@gmail.com. Their suspected state of residence is shown if available.
